

CHILDREN'S ART WORKSHOP

Summer Holidays at Les Cotils

We are delighted to welcome Guernsey-based artist Frances Lemmon back to Les Cotils to run some children's art workshops during the summer holidays. The popular workshops are available for 5 days for children aged 7 upwards who want to develop their creativity and have fun during the holidays. Sessions are from 9.30am to 12 noon on the following dates:

THE COURSE

Monday 20th August

Jewelled Marble Art - Painting up paper with lemon yellow, citrus pink, sea turquoise and melon yellow to make beautiful shimmery papers and then cutting them into pieces to fit together to make a gorgeous piece of art to frame.

Tuesday 21st August

Rock Painting - Looking at folk art using bright acrylic paint we will design either an abstract or animal rock to place in your home or garden to brighten up those dark corners.

Wednesday 22nd August

Easy Pontillism - Pontillism was a technique of painting popular in the early 20th century, we will copy this style of painting (but cheating slightly to make it a little bit easier to create a masterpiece).

Thursday 23rd August

Key Ring Pom Poms - We love pompoms! Here we make and decorate a very useful key ring with the added joy of a giant pompom tied to it so you will never lose your key again.

Friday 24th August

Styrofoam Printing - Printing made easy using printing ink and felt pens to add extra sparkle and wow factor!

The workshops are aimed at children from the age of 7 upwards who enjoy being creative and imaginative; because numbers are limited in each workshop early booking is advisable.
